THE WORLD'S MASTER PIANISTS HAVE PERPETUATED THEIR ART THROUGH

The DUO:ART PIANO

Rudolph Ganz

"I have had no diffi-culty in getting the tonal results I wanted in my records. The climaxes are worked up just as I played them. The distinction between voices, between theme and accompaniment, are prac-tically perfect. The of phrasing add the last convincing touch of perproduction pleases me much. If anyone criticizes it, they criticize my

HE DUO ART is a new type of pianoforte. Like that well-known instrument, it answers to the touch) of the pianist's fingers upon its keyboard. In tone and in form it is a

pianoforte of the highest modern development.

But unlike the piano the Duo-Art is not a passive instrument whose voice is lifted only at command of the gifted artist's agile hands. The sensitive Duo-Art action guided by Duo-Art Records of the finest interpretations by the world's greatest pianists, reproduces these performances with such perfect mimicry as almost to outrival the artist's recitals in the concert halls.

The Duo-Art immortalizes the fine art of pianism-makes its rarest and highest examples available in the home. And it is yet an instrument for self-expression, a piano or a playerpiano, a new and perfected player-piano far in advance of any other instrument of the type. The Duo-Art is made in Steinway, Weber, Steck and Stroud models.

DUO-ART RECITAL

There will be an informal Musicale at three thirty o'clock in our Duo oArt Salon. Compositions will be played on the Duo-Art Piano by Harold Bauer, Ru dolph Ganz, Ossip Gabrilowitsch, Percy Grainger, Enrique Granados, Madam Carreno and other celebrated pianists. A Duo-Art Artist will play in person at each concert. Admission without charge.
